

Western Defeats Central, 3 to 0—Laurel Handicap to Bob R

Bob R. Captures Star Event at Laurel Track

Takes Handicap in Driving Finish from Tactics and Col. Cook.

FORM PLAYERS DO WELL

Laurel, Md., Oct. 20.—Bob R. John O. Talbot's veteran, proved the best today in the All Ages Handicap, the feature of the card at Laurel Park, beating Tactics to the wire by a head, who in turn was a neck in front of Col. Cook.

Bob R. allowed Alabama to set the pace until rounding the bend, into the stretch, when the Talbot veteran cut loose. Jeckey Burlington timed his dash right, and forged to the front. Tactics also had a little to reserve, and managed to sweep by Col. Cook and Alabama.

As this was the opening day of the Maryland State Fair and the horse show a larger crowd was on hand. Society of Washington, Baltimore, Philadelphia, and New York was well represented.

Five Favorites Win.

Five favorites again went over, Orower being the only outsider to win, and this was over the jumps in the second race. The first event went to Undaunted, well played at 2 to 1. Undaunted was off in the lead, and led all the way to the wire. Arcene, a 10 to 1 shot, came home second, with Heartbeat third.

In the second race, a steeplechase at about two miles, went to Orower, after Veloci had led all the way. Little Flat was well liked in this event, but he was the best Keating could get.

Royers' Field Goal Gives Western Victory Over Central High Eleven

Speedy Red and White Quarter Drops One Over from 25-Yard Line.

ACORN IS A REAL STAR

WESTERN IS PENALIZED FOR IMPULSIVE BLUNDER

When Royer, of Western, dropped-kicked a goal from the field, which beat Central, a stranger rushed onto the gridiron, shook hands with the young hero, and cried: "Fine work! I'm proud of you."

Western penalized 15 yards for this, "abandoned Umpire Land, as he stalked off the distance. The stranger was Babcock, one of the old boys, who played half back for Western in 1902.

By HUCK HOWARD.

When little Earl Royer kicked a goal from field late in the last quarter, Central was beaten by Western for the first time in five years, in the second game of the scholastic series yesterday in Varsity Park. Lots of grit and nerve were displayed by Western's plucky little field general. Handicapped by a bad pass and with a couple of Central forwards charging in, Royer was the motive force for West-Enders by a beautiful drop kick from the twenty-five yard line, which set the final figures at 3 to 0.

Western Outplays Central.

The Western team won the game because it outplayed the O. Streeters in every department. Royer almost broke through the Central line several times, but was held back by the stout defense. On the other hand, "Dutch" Acorn was the backbone of the Central defense, and he was the only man who could gain consistently through the Western line, and "side from that, played wonderfully on the defense. Time and again the Western backs would break through the line only to fall in the grasping hands of Acorn.

I'll Advise Union Suits

And for the one reason that if they fit as they should no other style of Underwear is so absolutely comfortable. I back up this preference with those makes which I know will fit—because they are fashioned in minute detail.

Union Suits do not cost any more than two-garment underwear—you can get them in the exact weight you wish; in the material you prefer.
